Dear Matt Nippert

I refer to your email of 26 August 2019 in which you request the following under the Official Information Act 1982 (OIA):

"1) All correspondence - including but not limited to emails, meeting notes and reports - concerning the arrangement of, and discussion held at, the meeting between Lang Lin and minister Todd McClay in Beijing on July 12, 2017.

2) A list of all meetings between minister McClay and Lang Lin, or members of his Rider Horse group (likely tagged as Inner Mongolia Rider Horse Industry NZ), in the 2014-2017 term.

3) Any submissions or approaches made by Mr Lang, or agents of his Rider Horse group, to the Ministry concerning the export of horses to China in the 2014-2017 term."

On 23 September 2019, we wrote to advise that, due to the necessity for further review and consultation, we were extending the time limit to respond to your request by 15 working days, to 14 October 2019.

On 14 October 2019, we wrote to advise that a decision had been made on your request, and that the material in scope was in the final stages of processing. We can now provide you with the information requested, and thank you for your patience.

For clarity, each of your questions is addressed individually below.

- 1) *All correspondence - including but not limited to emails, meeting notes and reports - concerning the arrangement of, and discussion held at, the meeting between Lang Lin and minister Todd McClay in Beijing on July 12, 2017.*

Attached are the documents and correspondence relevant to your request. Some portions of the material are withheld under the following sections of the OIA:

- 6(a): to avoid prejudicing security or defence of New Zealand or the international relations of the New Zealand Government;
- 9(2)(a): to protect individuals' privacy; and
- 9(2)(b)(ii): to avoid prejudice to the commercial position of another party.

- 2) *A list of all meetings between minister McClay and Lang Lin, or members of his Rider Horse group (likely tagged as Inner Mongolia Rider Horse Industry NZ), in the 2014-2017 term.*

A meeting was held between Chairman Lang Lin and Hon Todd McClay on 12 July 2016. The following Ministry officials attended:

- Chris Langley, Private Secretary to the Minister of Trade
- David Evans, Deputy Head of New Zealand Embassy

A reception was also held on 12 July 2016, attended by the Minister and Chairman Lang Lin, as well as various others including Chinese officials and stakeholders, Embassy staff, and representatives of the NZ Racing Board.

- 3) *Any submissions or approaches made by Mr Lang, or agents of his Rider Horse group, to the Ministry concerning the export of horses to China in the 2014-2017 term.*

No submissions or approaches were made to the Ministry.

Where the information has been withheld under section 9 of the OIA, no public interest in releasing the information has been identified that would be sufficient to override the reasons for withholding it.

Please note that this letter (with your personal details redacted) and enclosed documents may be published on the Ministry's website.

You have the right under section 28(3) of the OIA to seek a review of this response by the Ombudsman.

Yours sincerely

Hi Ivan

MOT has accepted a meeting with Mr Lang, Chairman and CEO Rider Horse for 12 July 3-3.30pm. Mr Lang is a large investor in NZ (please see Roger's email below).

Ambassador and Roger Smith will not be able to attend the meeting (to be held at NZ Embassy). DHOM and Nicholas Clutterbuck will attend with the Minister. We wondered if you would also like to attend on the NZ side given the size of Mr Lang's investments in NZ.

Could you please let me know if you will attend.

Thanks,
Rebekah

As discussed Mr. LANG Ling, Chairman and CEO of Rider Horse is hosting a major 3 day racing carnival at his new track in Inner Mongolia over the coming weekend. On Sunday all races are sponsored by NZ interest with a total prize money of 1.4 million rmb.

We have 58 NZers associated with the racing industry traveling from NZ to Inner Mongolia to attend the event, including the NZ Racing Board and various stud farms etc.

Mr Lang is looking to travel to Beijing on Tuesday the 12th with the purpose of meeting with the Ambassador in the afternoon to update him on Rider Horses NZ strategy. The timing he has proposed clashes with our bilateral meeting with MOA and the China Horse Association and we are hoping he will attend the Equine event that evening being hosted by MoT. Due to Mr Langs importance to the NZ industry and his significant ongoing investments in NZ (that is welcomed by NZ industry) we believe it would be useful if he could meet directly with MoT. We have suggested a pull aside at the reception and while that is easiest for logistics, we think Mr Lang would prefer a separate meeting with MoT. Timing would be around 3 pm on Tuesday 12th.

Can you please check with Wellington and advise

1/ Is MoT willing to meet with Mr Lang

2/ If willing to meet what are the chances of a 30 minute sit down at the Embassy on the afternoon of the 12th or a formal pull aside at the reception.

Attached is a brief on Rider Horse prepared last year by NZTE. Since then s9(2)(b)(ii)

he has become well known in NZ Racing circles and a big spender at Karaka sales, he is also the owner of Mongolian Khan (In 2015 he won the New Zealand Derby before going on to win the Australian Derby becoming the first horse to complete the double in 29 years. He also won the Caulfield Cup and was named Horse of the Year in 2015).

Meeting with Rider Horse Co

3.00pm, Tuesday 12 July, New Zealand Embassy

Snapshot	Meeting with Mr LANG Lin, Chairman and CEO of Rider Horse Co, and a significant investor in New Zealand
Participants	<i>China</i> Mr LANG Lin ("Mr. Wolf"), Chairman and CEO, Rider Horse Co s9(2)(a) Assistant to Mr Lang (Tbc) <i>New Zealand</i> Minister of Trade Deputy Head of Mission Langley Corkery Maher s9(2)(a)

A successful Manchu serial entrepreneur with a deep passion for horses, Mr. Lang is a prominent Chinese businessman who started his own construction company as a 24-year-old, followed by a very successful restaurant chain (Chuanwqangfu). Mr Lang has many successful ventures across a wide variety of sectors: education, manufacturing and property development, most of which are now managed by his family members. This allows him to spend more time on his passion – racehorses. Mr. Lang is a member of Hong Kong and Macau Jockey Club.

Key Objective

- To deepen New Zealand's relationship with a major potential partner for New Zealand's racehorse and equine industry.
- To enquire about Mr Lang's plans for future investment in New Zealand.

Background

Rider was founded in 2006 by Chairman and CEO Mr. Lang Lin. Rider quickly became the largest non-farming horse breeder and horse feedstock trader. It sells a large selection of imported horses and professional horse importing services. Rider also intends to introduce international quality branded feedstock to the Chinese market, and to expand into horse club management services. Rider is located in Inner Mongolia Province, China. The Khorchin Prairie, on which their stud farm sits, is at the same 38-45 degree latitude as Kentucky (USA), Ireland and Hokkaido (Japan), and believed to possess the best climate for horse rearing in China. It is one of the four largest prairies in China.

2 Currently, Rider self-breeds more than s9(2)(b)(ii) and is growing at s9(2)(b)(ii)

Rider is committed to building China's largest horse breeding centre, and to developing the best domestic thoroughbreds in China. Rider has been active in the horse speed racing world, and has achieved excellent racing results in China and Macau.

New Zealand interests

3 [s6(a), s9(2)(b)(ii)]

Mr Lang is famous in New Zealand for owning the Caulfield Cup winner, Mongolian Khan that he keeps in New Zealand (on top of another eighty horses that he keeps and races in New Zealand).

4 [s6(a), s9(2)(b)(ii)]

China is now the sixth largest buyer of New Zealand bloodstock (behind Australia, Hong Kong, Singapore, Macau and Malaysia). Rider has also established the new racetrack at Khorchin (Inner Mongolia) and, [s6(a), s9(2)(b)(ii)]

Mr Lang loves horses, but is also motivated by a desire to support the development of horse riding culture in China. As such, he is investing in infrastructure needed to foster a horse industry. China's horse industry is still in its infancy, but Mr Lang is one of those leading its development. Horse riding is a historically significant part of the province's culture, and Mr Lang hopes to revive it.

5 The Khorchin racecourse, with enough seating for 12,000 people, has recently become fully operational. It hosted its first major meeting last weekend (9-11 July). Day two of this event was "New Zealand Racing Day," where all 84 horses across six races were purchased from and bred in New Zealand. This event was attended by fifty New Zealanders with interests in the equine/horse industry, including the Racing Board.

Hi Nicholas,

You could also add:

He is famous in NZ for owning the Caulfield Cup winner Mongolian Khan that he keeps in NZ and that is now a stud. He owns another 80 or so horses that he keeps in NZ and that he races there.

He loves horses, but he is also motivated by a desire to support the development of horse riding culture in China and he is investing in all the infrastructure needed to foster a horse industry. The horse industry in China is still in its infancy, but Mr Lang is one of the people leading its development. This is quite significant in Inner Mongolia as horse riding has historically been a big part of Inner Mongolian culture and he hopes to help revive it.

Many of the horses that he buys, houses and trains are on-sold to other Chinese horse enthusiasts and or syndicates.

At his facility here in Keryou Zhong banner in Inner Mongolia he has built a 12,000 seat racetrack. He has extensive stables and breeding facilities.

s9(2)(b)(ii)

He has already built a world class horse hospital here in partnership with NZ vets who were involved with both the design and who will be assisting with the training of surgeons. These vets were part of the MPI equine vet exchange programme.

He is also opening an equine vocational training institute for trainers and jockeys.

TV3 and Trackside were here with the NZ delegation this week and there will likely be a feature story on Lang Lin on TV3 on Wednesday or Thursday.

Cheers
Liam

Hi Nicholas,

Just checking if Mr Lang Chairman and CEO Rider Horse speaks good English and the meeting at the Embassy at 3:00pm tomorrow will be in English?

Thanks,
s9(2)(a)

Thanks Liam

We have pulled together the attached brief based on material that Roger sent us through. The original material was a set of NZTE briefs from one year ago. We were wondering if somebody from your team could please cast their eyes over the brief, to check it for accuracy and update it where appropriate?

We will need to hand this to MOT on Monday afternoon.

Many thanks in advance
Nicholas

Hi Liam

Please see below email exchange for further details.

Could you please let s9(2)(a) and Nicholas know if you are free and interested in attending the meeting between MOT and Mr Lang Chairman and CEO Rider Horse on Tuesday 12 July at 3pm at the NZ Embassy.

We'll need to confirm the attendee list with MOT on Monday but it would be great to know your interest and availability in advance of that.

Many thanks,
Rebekah

Just a thought, Liam is not part of the MOA meeting and will have attended the Racing Carnival with Mr Lang so it would be useful to have him there as well if that's OK with the Minister
